Group Cancellation Policy

Deposit for group day bookings: £50 (non-refundable)

Deposit for residential bookings: £20 per person (non-refundable)

Your booking will not be confirmed until we have received your deposit. As these deposits are non-refundable, we strongly recommend that you take out cancellation insurance. Late cancellations severely compromise our budget, and deprive others of the opportunity to book. We obviously don't like asking you for money if you have to cancel, but nor does it feel right to ask others to make up the shortfall when suitable cover would have been available.

We currently offer payments facilities of cash, cheques or internet banking.

Times of prayers in Church

Morning prayers are at 10 a.m. when we open the Church, and there are short prayers at midday. Evening prayer is more variable; we assemble at sunset to pray and then lock the Church. You are of course very welcome to join us at any of these times.
